Dear Playground Enthusiast,

PlaygroundEquipment.com was founded to offer commercial playgrounds online like no one before. Through constant innovation we lead the industry with color tools, resource guides, not to mention a massive selection of play systems, outdoor activities, and site amenities. Whether we are serving schools, parks, or churches, we dedicate ourselves to provide the best possible service and products to every client.

At our always evolving offices, we house a highly-trained customer service team that is ready and eager to answer your questions, process your requests, and help you design a playground in your budget. Our team is as professional as it is friendly. Some of its most experienced members have been with the company since its foundation over a decade ago. This experience pays off for our customers and local partners alike.

Not only will they help you find the best playground equipment, they will also help you customize it with color, mounting, and delivery options so that you can find the best solution that will meet your specific needs. We provide detailed information, including 3D renderings, so that you will know exactly what you're getting.

Combining our office and warehouses allows us to personally ensure that once your order processes, it begins to ship as quickly as possible. Our dedicated and experienced shipping personnel make sure that your order is packaged carefully and correctly. Our central location in Greenfield, Indiana allows us to transport orders to any destination nationwide rapidly, affordably, and efficiently.

Browse our high-quality products online or in one of our many catalogs. Online you can find highly detailed guides such as our Grants and Stimulus Guide. It is organized by state and offers many opportunities to find funding for your playground purchase. Also, while browsing catch up with us on our blog, send us a message on Facebook or Twitter and check out our always evolving website.

Happy Playing!

PlaygroundEquipment.com warrants to its original customer for as long as the original customer owns the product and uses the product with normal use and installation in accordance with published specifications to be free from defects in materials and workmanship.

This warranty does not cover damage from misuse, vandalism, modified parts or damage such as dents, scratches, fading/weathering and normal wear and tear. The warranty does not cover the cost of freight or labor for removal and installation of repaired or replacement parts.

Warranty claims must be filed within the applicable warranty period. Replacement parts carry the applicable warranty from the date of shipment of the replacement part.

Repair/Replacement orders for warranted products will be for the component part only. (Not the entire product.) Contact your PlaygroundEquipment.com distributor for a return authorization.

Warranties are limited to repair or replacement of defective parts. A repaired or replacement part is covered only for the original warranty period. All warranties begin on the delivery date of the goods. Warranties are non-transferable and only apply to end users who purchase new products directly from PlaygroundEquipment.com or an authorized PlaygroundEquipment.com distributor for personal or business use and not for purpose of re-distribution or re-sale. No other warranties apply.

At PlaygroundEquipment.com we are constantly designing new products to meet the ever-changing demands of our industry. Check online for new products including panels, climbers, and freestanding events currently in design.
